

Newsletter November 2017

Dear Paddlers,

Summer is upon us and the water is warming up once again.

It has been a busy few months and as always, we strive to bring you new, innovative and interesting products. Hopefully this Newsletter will bring you up to date with everything that has been happening at C-Kayak.

New Store in Erina

After 12 years of trading and many thousands of kayaks, SUP's and happy customers passing through our doors, we finally closed our store in West Gosford to make way for our fantastic new Erina store.

Store manager, Geoffery Farrell, is a SUP instructor and has already made an impression in the local market as someone who really knows his stuff when it comes to kayaks and SUP's.

If you are local on the Central Coast do pop in and have a look around, you will be impressed.
